Thanking God Privately

Daniel 6:10

Introduction:

1. It is easy to get drowned out by all the cultural noise around us.
2. Public courage and unyielding integrity before men are fueled by our lifelong habit of thanking God in secret.

Discussion:

I. Thanking God Is Our Daily Constant.

II. Thanking God Is Our Spiritual Necessity.

III. Thanking God Is Our Sacred Privilege.

Conclusion:

1. Our public endurance is entirely fueled by our private gratitude.
2. Followers of Christ must deliberately build an enduring habit of private thanksgiving.
3. Let us never lose our wonder for the immense privilege of thanking God in the secret place.
